

**How to find us**  
**(by car from Jokkmokk to Solberget)**

From Jokkmokk take the road 97 south in direction of Voullerim (about 45 min). Turn left at the crossroads at the petrol station in Voulerim in direction of Murjek passing through Voulerim. About 3 km past Voulerim turn right towards Murjek (marked). Pass Murjek (13 km), at the end of the village the tarmac turns to gravel where you keep going **straight ahead** and 45 km later you reach Solberget.

A few kilometers past Murjek do **not** turn left in direction of Nietsavaare but keep going straight. About 20 km past Murjek you will pass the polar circle (sign) and a village with the same name. A few kilometers past the polar circle please do **not** turn left towards Nattavaara but keep going straight ahead. Some time later a track goes right (direction of Vouddas) but please carry on. On the left is a track named "Solbergsvägen" which you should **not** take. Another 100 m later you reach Solberget to your right.
